

Read about what's happening and what's planned, as Landcom and the NSW Land and Housing Corporation (LAHC) work together to transform Airids into a modern and socially mixed community.

We're about halfway through construction of Newbrook and currently securing development approvals for the next stages of subdivision.

Road improvements have also been a focus and Riverside Drive has been realigned for better travel and an extended path for walking and cycling.

The western section of Towner Avenue is nearing completion. This new section of road will connect St Johns Road through to Partridge Street.

Kevin Wheatley Reserve and The Pond are set for upgrades in 2024, including sports fields, playgrounds, walking areas and more.

As we approach the close of 2023, we extend our appreciation to the Newbrook community for your patience during ongoing construction and wish you a safe and joyful holiday season.
