Build with
Newbrook in mind

Welcome to the latest issue of the Newbrook community newsletter.

Read about what's happening and what's planned, as Landcom and Homes NSW work together to transform Airds into a modern and socially mixed community.

Housing construction and sales

Stage 7A

Construction of 94 residential lots began late last year and should finish by early 2026. We completed the remediation in May and are now moving on to demolition, major earthworks, and relocating existing utilities.

Stage 7B

Construction will start later this year after the demolition is done. A further seven social homes will be built along Riverside Drive with construction set to start later this year, subject to Council approvals.

Cottage sites

Construction is going well. Site 1 should be registered this month with all four sites anticipated to be registered by mid-2026.

Towner Avenue

Construction starts next month after we sign-up the contractor. When works are finished, Towner Avenue will connect Partridge Street and Riverside Drive, south of Newbrook Shopping Village. Work will be done with minimal disruption to the community and shops. The road should open early 2026, pending Council approval.

Kevin Wheatley Reserve

A milestone has been achieved with the revised design being approved by Council in May 2025. Construction has re-started with a new pre-cast concrete stormwater system, and earthworks for the playing field are expected to be done by the end of 2025.

The Pond

We are evaluating the tender

for embellishment works. A contractor should be selected in July, with construction anticipated to finish early 2026 pending Council approval.

Rehousing plan

Rehousing and demolition activities are being undertaken by Homes NSW are continuing and include:

- Stage 5 relocation 95% complete
- Stage 7B relocations 71% complete
- Stage 8 relocations 67% complete.

If you have any questions about rehousing, call the Homes NSW Renewal Team on **02 4629 3245** or email: **CampbelltownRenewalProjects@homes.nsw.gov.au**

Good news in Airds

In May, Homes NSW and Landcom co-hosted Australia's Biggest Morning Tea at AB Central. The event had a great turnout, raising vital funds for cancer research and support services. It was a heartfelt way to honour those affected by cancer and work towards a cancer-free future. Big thanks to Campbelltown City Police, Shining Stars, Ourlore, Indigability, Kids First Australia, Hands on Heart and Wesleyan Methodist Church for their help and donations.

The Talking Trash Series is back!

Ever wondered what your discarded items would say if they could talk? Imagine a mattress mourning its fate after years of providing comfort or a fridge left out in the sun, yearning for a chance to be recycled.

We want to foster a sense of responsibility and awareness within the community. Through this series, we hope to inspire positive change and promote a cleaner, more sustainable environment.

Ways to keep your community clean:

- Sell or give away your unwanted items online using platforms like Gumtree or Facebook Marketplace
- Organise a kerbside clean up with Campbelltown Council - call **02 4645 4000**
- Report illegal dumping. Call **02 4645 4000** or visit bit.ly/Illegal-Dumping
