Dear Resident,

We wish to inform you that the piling rig at the headland park construction site at 9 Burroway Road, Wentworth Point NSW 2127 will be transported off-site. Please note the details below:

Date and Time: Between **Wednesday 26th March 10:00 PM** and
Thursday 27th March 4:00 AM

Route: Please refer to the map on next page

Transport will occur within the approved heavy vehicle permit hours, but scheduled outside of daytime hours due to the size of the equipment. While every effort will be made to minimise disruption, some noise will be unavoidable during transport.
